

REQUEST FOR ASSOCIATED NETWORKING EVENTS & RECEPTIONS

AFS/TWS JOINT CONFERENCE

September 29 – October 3, 2019 // Reno, NV

DEADLINE FOR SUBMISSION: June 30, 2019

Amazing Opportunity for 2019 Only! American Fisheries Society and The Wildlife Society are excited to announce a night of mixing and mingling you're sure to remember for a long time to come! On Wednesday, October 2, 2019, the two societies will be co-hosting a night of Associated Networking Events and Receptions at the Peppermill Hotel from 7:30 – 9:30pm. Space is extremely limited, so reserve your room today!

Details: The Tuscany Ballroom at the Peppermill will be divided up into individual meeting rooms, so your alumni group, agency or other affiliated group can host your own event and invite your colleagues and friends. We will be assigning the meeting rooms on a first come, first served basis, taking into consideration the estimated size of each group. There is no charge to you for the meeting space, however, if you require any food, beverage or audio-visual equipment, you will need to order and pay for those items. (No outside food or beverage is permitted – all catering orders must be placed through the Peppermill). There is a large pre-function space surrounding the Tuscany Ballroom – AFS and TWS will be supplying multiple bars in the pre-function area, and we will be covering the bartender fees! So, you only have to order your own bar if you absolutely need one in your meeting room. We have also secured poolside space for folks who are looking for a quieter open space to network. Conference sessions will end at 5pm on Wednesday, which will give folks time to have dinner prior to joining us for this evening of receptions.

All meeting rooms will be set up "reception style", which may include high-top tables with no chairs, low-top tables with chairs and/or round tables with chairs. If you have any additional set up requests, please list them here and we will let you know if we are able to accommodate. _____
